Commissioner of Patents

The reply filed on January 7, 2003 (Paper No. 9) is not fully responsive to the prior Office Action because of the following omission(s) or matter(s):

Paper No. 9 is not responsive to the issue of the objection to the specification because the blank spaces on page 12 of the specification, requiring ATCC deposit information, have not been addressed. It is noted that a proposed amendment to page 22 of the specification has been requested. However, this amendment has not been entered because the corresponding paragraph is not found at page 22. Appropriate correction is required. See 37 CFR 1.111.

Since the above-mentioned reply appears to be *bona fide*, applicant is given **ONE (1) MONTH or THIRTY (30) DAYS** from the mailing date of this notice, whichever is longer, within which to supply the omission or correction in order to avoid abandonment. **EXTENSIONS OF THIS TIME PERIOD MAY BE GRANTED UNDER 37 CFR 1.136(a)**. In no case may an applicant extend the period for response beyond the six month statutory period. Direct the response to the undersigned.
